

# YEAR 1

## Meanings to cut out for 'Mix & Match'

The 4 weeks before Christmas when we get ready to celebrate Jesus' birthday.	a) All the people who love and believe in Jesus. b) The building where we go to praise God.
A messenger from God.	When lots of water covered the land.
To make someone better.	Save us, Lord!
Where God lives and where we hope to be with Him some day.	When God does something really wonderful that seems impossible.
When we tell someone how good we think they are.	When someone says they will be sure to do something.
The special house God's people used to have for him.	When we can be sure that someone will only do what is good for us
Get ready	The great big place where we all live.
Someone in our life who might help us or we might need our help.	When Jesus became alive again on Easter Sunday.
